QUIZZES &
PUZZLES

The school has certainly been celebrating Christmas, from singing earlier in the week, concerts, magic, to wearing our jumpers today.

There were so many different types of Christmas Jumpers and some of the teachers wore Christmas dresses.

Both schools had their Christmas school dinners with music in the background.

The governors also joined us and gave us crackers!!!

LIGHTS, CAMERA ACTION!

The infants had been practising their concerts and this week the little stars got to show the play to their parents! A big thank you to all of the parents, carers and grandparents who came and supported the children. The children really enjoyed performing in front of an audience.

The concert ran very smoothly, and was enjoyed by all.

Magic Show!

Mr. Laming amazed the juniors yesterday with his hidden talents!

There was an incredible mix of jaw dropping magic tricks, from finding money to chopping off Mr. Short's arm; it was so funny!!

How does Mr Laming do all those magical tricks? **WHO KNOWS!**

Colouring Fun!

Snow Ball 2017

The juniors got their party outfits out and put on their dancing shoes as they enjoyed the famous Wellington Snowball.

The new hall was decorated with Christmas decorations, the tree was lit up with colourful lights and the music played!

This year there was the 'Wellington Photo Frame' and we could have our photo taken with our friends wearing Christmas hats; it was amazing! We got our snack, drink and bought little treats to support the Rights to Respect stall.

Thank you teachers for making this another successful and fun SNOWBALL!!!!

CHRISTMAS CHOIR

Wellington Choir did it again as they filled the church with their beautiful singing voices.

The School Choir brought some Festive Sparkle at St Paul's Church on Wednesday morning. Despite the gloomy, cold, damp weather, the Choir sang Christmas carols beautifully to get everyone into a festive mood. Thank you to Mrs. Tarring and Mrs Gleeson and all the members of the choir who helped make this event possible!
