Year 2 Brentford Sports Day!

On Thursday, Yr2 went to the Brentford Leisure centre for sports day which they found fun and exciting and worked brilliantly as a team and cheered each other on. Aakriti in Elm class said, "I really had a good time and I wish I could go back in time and relive the moment." The year group

behaved well and impressed the staff with their behaviour choices. The other schools admired their skills and teamwork. The children really enjoyed this experience and found it exciting to compete against each other, and see whose team won!

Well Done Year 2!

☺Riddles!

Q: Who makes it, has no need of it. Who buys it, has no use for it. Who uses it can neither see nor feel it. What is it?

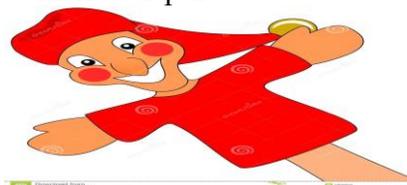

A: A coffin!

A: Forward I am heavy, but backward I am not. What am I?

A: Forward I am ton, but backwards I am not!

DT week!

This week, Yr 4 made purses for their DT week. They were very accurate when trying to sew their fabrics together and their purses were a great success. They were all proud of the fact that their purses were unique and had lots of style. Zariya, in Pine class commented, "I was really proud of my design and I found it fun to make our purses!"

Scientists unveil new 'Bat Bot'

Recently, scientists in America have unveiled an amazing piece of technology-the Bat Bot! The Bat Bot is like a real bat, and can fly! Just like a real bat, it can move each wing separately and can change the shape of its wings in order to manage difficult manoeuvres. The making of the Bat Bot was very difficult, as bats have over 40 different joints in their wings, and the scientists that created the machine had to copy all of them correctly!
