Year Six Writing!

On Thursday, Yr 6 had their writing looked at! Some important people came into school, and went through the books of the Yr 6 children to make sure they had met the standard needed to go to secondary school. All the Yr 6 pupils are very proud of their English books. Amisha in

Ebony said "I was nervous because I wanted to make sure my writing was at a greater depth standard. Hopefully it will be and we find out in July when we get our Reports".

Year One Phonics test!

This week, Yr 1 had their phonics test! They had been working really hard all year on their phonics and they all did really well! The teachers were really impressed with how they answered their questions – with thought and deliberation. Jasmine, in Yr 1 commented, "I was really nervous about our phonics test but in the end, I found that I just had to think carefully about my answers and then it was easy!"

88 year-old wing walker!

This week, an 88-year-old Wing Walker, Betty Bromage, created a new World record! Her aim was to beat the existing record of oldest female in the UK to wing walk - and she did! She flew at 130 miles per hour, strapped to a plane! Betty's family were very proud of her and she hopes that older people are now inspired to do the same thing!
