## Harvest at Wellington

On Thursday, Diamond class did an assembly on Harvest and shared lots of information about what Harvest was all about.

**Harvest** Festival used to be celebrated at the beginning of the **Harvest** season on 1 August and was called Lammas, meaning 'loaf Mass'. Farmers made loaves of bread from the loaf of bread from the new wheat crop and gave them to their local church.

They were then used as the new wheat crop and gave them to their local church. Communion bread during a special mass thanking God for the Harvest.

During the Harvest themed assembly, all the children's donations of tinned and packet food were on display and these were donated to the local Food Bank in St. Paul's Parish Church.

A big thankyou to you all for your donations!

## Illusions!

How many animals can you see?

### Y2 Fly Kites!

Year 2 were busy this week designing and making their kites, as this was part of their science topic. Lots planning and testing was seen, both Miss Strange and Miss Evans were very impressed at how high they kites flew!!!

Meanwhile Year 1 were busy exploring the local area. There was so much to see and so many questions were asked by the children.

Everyone was very pleased with how well behaved they were and their walking! Well done Year 1!

### Y1 Walk

### Happy Birthday Google!

This week Google celebrated its 19<sup>th</sup> birthday and to celebrate they created a spinning wheel, which shows up one of 19 different surprises when you click on it. This might include a special animation or an interactive game dreamed up by the company's doodlers.

Did you know Google currently serves 4.6 billion users across 160 countries - who are searching for things in 123 different languages! WOW!!
