ROAD SAFETY

DATES FOR YOUR DIARY 

QUIZZES & PUZZLES 

Roads are very busy and dangerous places and we need to be very careful when using them, so keeping safe is easy as **ABC**

B is for **behaviour** (things you should do to stay safer)

C is for **choice** (how to make safer choices and to help others make these choices too.

On Tuesday the 31st of October it was Halloween, traditionally Halloween was called all hallows eve. Halloween began as the festival of Samhain. It was part of the ancient Celtic religion in Britain and other parts of Europe. At the end of summer, the Celts thought the barrier between our world and the world of ghosts and spirits is thinned.

Say Cheese

This week we all had our Class group photos. Getting ready was fun! Some children began to do their hair, straighten their ties, do their shoe laces and find their jumpers!

The photo itself was over in seconds. We were in groups of 2, 3, or 4. We were either sitting or standing and then it was 'cheese', camera clicked and we were done!

Grown-ups, can you remember your school photos? What were they like and who do you remember?
