The week at Wellington!

Individual and Sibling Photographs

On Monday a photographer will be in the school taking individual and sibling photographs. A letter has been sent out this week with details. If you would like your children to have a photograph together, please fill in the permission slip for your junior children to walk to the infant school to have their sibling photograph. If we do not receive this permission we will take separate photographs for you.

Winter PE Kits

Please ensure that your child has burgundy jogging bottoms that still fit them and can keep them warm in outdoor games lessons.

Junior Playground

Next Wednesday and Thursday we are having some playground markings put on to the junior playground. Some areas may be marked off when you come and collect your children but the usual doors will be accessible.

Year 2 Pirate Day

On Friday next week year 2 are turning into pirates. The children can come to school dressed in their pirate costumes.

What are we building in the Reception playground?

We are building an Adobe which has been funded by BAA for our children to use as an outdoor play and learning resource. It will look similar to the picture below when it is finished. The children think it looks like Luke Skywalker's house from Star Wars!

Question of the week

What makes a good friend?

Try and use a thinking map
Send your answers to Mr Berryman
