The week at Wellington!

Class Photos

The class photos will be taking place on Monday 30th October 2017, which is the first day of the winter uniform. Please ensure your child has a tie and a school shirt.

Individual and family photographs will be on Monday 5th February 2018.

Reception

We have been really impressed by the children in Ash Birch, Yew and Oak who have settled quickly into school this year and how smart they look in their new uniform. They have been very calm and taken to full time education easily. Thank you parents for working with us to make their start to school run so smoothly.

Secondary Transfer

The deadline to complete your secondary transfer application online is Monday 31st October 2017 at midnight. Please put as many choices as you can on the form, as the LA will offer another school if you do not get your first choice. The online application can be found on: www.hounslow.gov.uk/admissions and if you require any advice or guidance you can contact the admissions team on 02085832711 or admissions@hounslow.gov.uk.

School Lunches

The menu changes each year by the end of October. Please visit our website next week to see the new menu and talk to the younger children about their choices.

Please can you remind your older junior children to order their school meal every day in the classroom.

Parent Governor Vacancy

Our Governing Body comprises community governors, parent governors, staff governors and the headteacher. We currently need two parent governors. Parents are a vital part of the success of this school and we invite you to apply to join our Governing Body. We are looking for parents that can enhance the skill set of our Governing Body and are interested in helping the school to be an even better place for our pupils. There are six Thursday morning meetings a year, two per term. If you would like to find out more, talk to any of our staff and contact the school office to register your interest. Email the school office on office@wellington.hounslow.sch.uk.

Understanding Autism

Mrs. Gleeson thought the course below might be of interest to some of our parents.
