Tom Cherian-Topaz
Naga Gorti-Amber
Anoop Nagi-Obsidian
Ayoub Tarhzouti-Obsidian
Jeevika Sapa-Diamond

**Wellington
Primary**

100% Attendance

The week at Wellington!

Parents' Evening

Thank you to all the parents that rebooked their appointments due to the snow. We hope the meetings were helpful and the summary report gave you an opportunity to discuss next steps with the teacher.

Pop Uk ,Do You 'Like' Me?

Thank you to the parents that attended the mini concert on Monday. The children enjoyed learning and recording the three songs about how to use social media in a positive way. Please look out for the download from Pop UK with our juniors singing the three songs. It will be on our website next week.

Mother's Day

Reception sang to their mums this week and gave them a flower. They have also made some fabulous cards, I have put a photo of the cards on twitter. We hope they made you feel special!

Music Payments

Music is now available to purchase on Parentmail. The deadline for this is Monday, 19th March 2018.

100% Attendance

There are many children with 100% attendance from September to March. Please remember that there is a raffle for 100% attendance to win the star prize this year, an iPad mini or tablet.

Merit Assemblies

Junior Merit assemblies start at 9.10am and infants 2.50pm. Please arrive promptly to ensure you don't miss your child receiving a merit.

Diamond Class Assembly

Year 5 class reminded us all how to stay healthy in many ways this week. We will upload their assembly PowerPoint on to the website as the children enjoyed the assembly this week.

Share Aware (NSPCC Online safety)

It can be hard to keep track of what your child is doing online and on social networks, apps and games and know how to keep them safe. Children under 13 years old shouldn't be using social media, but reports suggest up to 50% of younger children are regularly using these sites and apps. Just like in real life, kids need your help to stay safe. The vast majority of our junior children knew about all the social media apps and many are using them already.

Please have regular conversations about what your child is doing online, just like you would about their day at school. This is a good way to keep them safe. You will be able to spot any problems, encourage them to come to you if they are worried and make sure they know what's ok to share online and what is not.

Visit the NSPCC site and use their **Net Aware** tool and continue the conversation with your children this weekend about staying safe online and using apps.

Question of the week

If you could meet any author, who would it be and why?

Send your answers to Mr. Berryman and try to use thinking maps and hats.
