100% Attendance

Summer Ball

We look forward to seeing all the children in the juniors at 5pm for the Summer Ball. All children must be on the guest list for entry and do not need any extra money as a drink and snack is included in the ticket price.

Aladdin

We were all incredibly proud of our year 6 children last night. Their production of Aladdin was show stopping and only possible through their commitment to rehearsing over a very short period of time. Well done to Mr Short, Mrs Gleeson, Ms Kahlon, Mrs Tarring and Mrs Grover for all their hard work in preparing for the show. Thank you for all the positive comments from parents and carers that the year 6 pupils and team received following the production. The children will sing a few Aladdin songs again next Tuesday at 6pm for their Leavers Evening. Please join us for this event as we mark their transition to secondary school.

New Junior School in September

Please remember that **children can be dropped off from 8:45 am at the two playground doors** closest to the main entrance, staff will be on the doors from 8:45am and the **doors will close at 8:55am** when registers will then be taken. After this time children will have to go to the front entrance to be signed in late as we usually do.

100% Attendance

Thank you for supporting your child and sending them to school every day. We have approximately 60 pupils who will be receiving their **100% attendance prizes** in assembly on Tuesday 18th July at 9:00am. These children have attended school for every one of the 190 days this year. This is a real achievement and only possible when mums, dads, grandparents and carers ensure children develop a fantastic work ethic. Well done to all these families and all those pupils who only missed the odd day. Any attendance over 98% is fantastic. One lucky child who has been at school every day this year could win a new tablet from our raffle. The winner's parent will receive a parent mail text to collect the prize. The child will also be informed in their class. The winner will be announced on Wednesday, 19th July after lunch.

Summer Safety

Our safeguarding consultant has been sent a link to a great website put together by Manchester Fire Brigade. Whilst some of the site is dedicated to local information and things to do in the holidays, there is lots of good advice for all of us on:

Barbecue Safety
Countryside Safety
Water Safety
Fire Safety
