The week at Wellington!

Sports Day

We are planning to hold the sports days on the following days:

Reception & KS1 at 1:30pm 20.06.17

KS2 at 9.10am 29.06.17

Both sports days will be on the current junior field and not on the cricket ground due to the building works. If it is wet or exceedingly hot we will have to change the dates and will make that decision the day before. All children will need hats, sunscreen and water bottles.

Reminder

Please can I remind all parents not to approach other children without their parents' permission. This is to protect the children and yourselves.

Trips

With the heightened security risks currently we will be holding meetings with parents before any trips into central London or to large venues. We have moved the sleep over at the Science Museum until the autumn term and year 4 will be holding a meeting on Tuesday after school in Holly class regarding the planned trip to the British Museum. We appreciate your support with these meetings.

Cleaners Required

We are currently recruiting cleaners for the new school, please contact the school office for further details if you are interested.

We are also advertising through ETEACH for nursery nurses for the new reception classes.

How stressful are your mornings?

Some tips for your morning routine for school

Rushing can really increase everyone's stress levels, so it helps to give you a bit more time in the morning.

- Think about an alarm clock for children who find it hard to wake up or don't like getting out of bed. Keep a regular routine.
- Tackle the morning as positively and as optimistically as you can (even ***if you don't feel positive!***). One way to do this is by focusing on the positive aspects of your children's behaviour for example, 'Great to see you eating some toast'.
- Give your children calm, clear instructions about what you want them to do, and follow up with specific praise as soon as they start to cooperate. You might need to remind younger children more often about what they're meant to be doing and when. Simple 'to do' checklists, even with pictures, can help.
- As your children get older and more capable, encourage them to do more for themselves – for example, an eight-year-old can get dressed on his own, make his own breakfast, and tidy up after himself. **Try not to give your children extra attention for arguing, whining or stalling. Even negative attention is an incentive for them to keep going with this behaviour.**

Question of the week

Create your own menu for a very special guest.

Try and use a thinking map
