# Wellington News:

## Sky Skills Studio!

This week, year 5 went to Sky Skills Studio! During this, they learnt about all the hard work that goes into making a news channel. The children behaved very well and made an excellent news report. Rohan from Aspen Class quoted, "I really enjoyed going to Sky Skills Studio. I liked editing the news report and seeing how everything works. I wish I could go there again!" The teachers were all very pleased with the children's quick thinking and how they managed to make their news reports well within the given time. All of the pupils and a lot of fun, so a huge thanks to Sky Skills and the staff who have made this trip a valuable memory for Year 5.

## Non-Uniform Day

This week, on Friday we all had non-uniform day! The event took place to pay respect to those who lost their lives in the tragedy of Grenfell Tower. Amisha, in Ebony class, commented, "Throughout this week, I have been thinking about those in the fire and how we can prevent such awful situations from happening. However, I do think that we should be moving on and staying strong as a community." Thanks to all the members of staff and parents who have co-operated to achieve this. In total we raised a lot of money for the Charities, so Well Done!
