

Welcome to **WilsonJones Catering!**

We are delighted and proud to be the Catering provider at your school.

We are an Independent Contract Catering company who specialise in Education Catering and we have a real passion and drive to deliver the very best meal service to all pupils.

Our approach is to provide good quality ingredients for our talented chefs to prepare nutritious lunches for all our pupils.

Where possible we choose sustainable Red Tractor Meat, Free Range Eggs, Fairtrade Cocoa & Sugar, along with a wide range of fresh seasonal produce.

We offer pupils a two course hot lunch which consists of a main meal and dessert.

Pupils can choose from a Meat option, Vegetarian option, or Baked Potato with a selection of Toppings.

We also offer a freshly prepared salad bar, homemade bread and additional dessert options of Fresh Fruit or Yoghurt.

Our menus are designed with Nutrition in mind and we offer dishes that are popular with pupils, designed by passionate chefs to ensure our meals meet school food standards.

Free School Meals.

From September 2023 all primary school pupils (aged 4 - 11 years old) are entitled to a free school meal.

Meet Our Team

Throughout the year we have lots of exciting theme days and parents' tasters planned at school. These themes are linked to the school's curriculum, cultural events, and celebrations. These days are designed to enhance a pupils' dining experience.

We would be pleased to meet you at one of our parents events, where you can meet our Catering Manager, taste our food and ask us any questions.

Allergies

We have experience in creating menus suitable for pupils with certain allergies. We have robust systems in place, and if you do require this service please contact your school for our Allergy and Intolerance procedure.
