

Sport Premium Expenditure and Impact for 2023-24

Wellington received Sports Premium funding at the following levels:

Financial Year	Total Sport Premium Funding
2023-24	£23,460.00

At Wellington Primary School we aim to encourage all children to:

- **Aspire to be successful learners who enjoy learning**
- **Perform as well as they can, make progress and achieve and become confident individuals who are able to live safe and fulfilling lives**
- **Succeed as responsible citizens who make a positive contribution to society**

... and when children enter their next stages of education and then ultimately employment the young people know that educators and employers want them to have the following attributes; to have...

- a good grasp of basic knowledge and skills;
- be reliable, take responsibility and show resilience;
- an ability to build and maintain relationships;
- an ability to work collaboratively in a team;
- creativity and use problem solving skills.

Wellington Primary School is dedicated to promoting healthy and active lifestyles and to providing a wide range of Physical Education & sporting opportunities for all of its pupils. The sports premium is being used to develop staff skills in delivering high quality PE and provide additional sporting opportunities for all pupils.

Sport Premium is being used to access support from the local sports partnership Sport Impact. This provides access to a range of local competitions for all children in KS1 and KS2, including SEN and disadvantaged children. Sports Impact organises an annual programme to get more pupils participating in competitive sport.

Expenditure & Impact for Sport Premium spent 2022-2023

We have detailed out plans, action and impact for sports premium spent in 2022-2023. The plan for Sport Premium was to benefit teachers for ongoing PE at the school along with direct impact and involvement for children at Wellington Primary School. Overall it was spent towards providing the tools to help drive the school more in the direction of providing more effective Physical Education for all children. Supporting teachers and students giving them knowledge, confidence and skills within sport.

We have plans to continue with successful focus area to allow continued development of PE at Wellington Primary School.

Sport premium funding was allocated to the following focus areas in 2022-2023:

Focus Area	Allocated Budget	Impact	Impact on Children
1) SMSA actively promoting use of sports equipment in the playgrounds on the Junior Site following successful roll out on Infant Side	£2,395.00	<ul style="list-style-type: none"> • Subject Lead (ZS) liaise with Deputy Head (KK) on when to provide SMSAs with training. • SMSAs to be trained on each zone and allocate an activity for them to participate with the children • Subject Lead to roll out new playground zones and games and order liaise with headteacher on buying new equipment for back playground. • Sports Impact lead (PW) to monitor impact and provide continuous training to SMSAs 	<ul style="list-style-type: none"> • Children in KS2 have been physically active during playtimes and lunchtimes after new playground zone roll out. Children are enjoying playing in a variety of zones like; cricket, football, basketball, hula hoops, skipping and dance area. • KS2 children are also staying fit on the back playground with new equipment and play zones honing in on their fine motor skills and coordination. • Students in KS1 are more active at lunchtimes with the new zones enabling them more chances to take part in something they enjoy. SMSAs have noted how much more enjoyable it is for them to see children happier at lunchtimes and teachers have noted a reduction in incidents • Questionnaires have been used to highlight levels of activity from Koboca.
2) Inclusive activities available for	NIL	<ul style="list-style-type: none"> • Subject Lead to find out dates of SEND events and liaise with SLT which events they can go to • Subject Lead (ZS) to select children and inform 	<ul style="list-style-type: none"> • SEN children have participated in a number of inter sporting competitions within Hounslow Borough. • Participating in competitions alongside their peers has fostered

SEND children (SI calendar):		parents via parentmail	a sense of inclusion and belonging for SEN children, promoting social integration.
3) New Sports Council Members set up	NIL	<ul style="list-style-type: none"> Subject Lead (ZS) to communicate with teacher's expectations of Sports Council members Subject Lead to meet with Sports council members on a half termly basis. Subject Lead to put meeting dates in diary 	<ul style="list-style-type: none"> Sports Council had their first meeting in the autumn term with everything discussed from PE lessons to extracurricular and promoting intra sporting competitions.
