

Year 3 and 4 Children In Need Competition

Name _____ Class _____
What Can Pudsey Wear to Be Safe and Be Seen at Night?

Challenge - To design some glow-in-the-dark accessories for Pudsey that will keep him safe and visible after dark! Bright, neon colors and reflective materials will help him stand out.

Activity Tips:

1. Design Bold, Bright Accessories: Think of things like a neon hat, scarf, or even glowing wristbands in colors like yellow, orange, or bright green.
2. Add Reflective Details: Use shapes like stars, stripes, or paw prints on the accessories that could reflect light and make Pudsey easier to spot.
3. Get Creative: How about adding a big, shiny star or reflective details on his outfit to make sure he's visible from all sides!

All entries to be handed to your class teacher by Tuesday 12th November 2024
