We believe this policy relates to the following legislation:

We have a duty of care under The Health and Safety (First Aid) Regulations 1981 to promote the health, safety and welfare of all pupils, school personnel and school visitors by providing adequate first aid equipment and school personnel qualified in first aid.

We will ensure that under the Reporting of Injuries, Diseases and Dangerous Occurrences Regulations 1995 (RIDDOR) that all accidents resulting in death, major injury or the prevention of the injured person undertaking their normal work for more than three days will be reported to the Health and Safety Executive (HSE).

We will ensure that first aid provision is up to date and available at all times in school and for all off-site educational visits and sporting events. Pupils and school personnel with specific health needs and disabilities will be given specific consideration.

Wellington Primary uses the web based Edukey provision map service to share information on medical needs.

We wish to work closely with the School Council and to hear their views and opinions as we acknowledge and support Article 12 of the United Nations Convention on the Rights of the Child that children should be encouraged to form and to express their views.

We as a school community have a commitment to promote equality. Therefore, an equality impact assessment has been undertaken and we believe this policy is in line with the Equality Act 2010.
