Creative Ideas /  
Wellbeing

Choose two challenges to complete each week.  
Make sure you upload a photo or video on Tapestry  
for your teacher to see!

**1. I feel happy when...**

What makes you feel happy?

Can you think of 10 things that you enjoy doing with  
your family at home?

It could be something like playing your favourite  
game or dancing to music that you enjoy.  
Choose a different one to do with your family each  
day this week.

**2. Are you a 'Master Chef'?**

Help a grown up to make a meal at home.

Do you remember  
why we need to wash  
our hands before we  
touch food?

Can you say how you  
made the meal and  
why it is healthy?

### 3. Be a 'Music maker'

We don't need proper instruments like the ones in the nursery to make music.

Can you find anything that you can use to create sounds or even make your own instrument?

Can you play it as you sing a favourite song?
