Dear Parents and Carers,

I am delighted to send you the report from Ofsted after their recent inspection of our school. It serves as a fantastic testament to the efforts of pupils, staff, governors and parents, which has ensured we have improved our status once again as a 'Good' school, with many outstanding features. There are many hugely positive aspects to the report and I am pleased to see that Ofsted have concluded that:

'The head teacher, senior leaders and those responsible for governance, have created a positive culture where staff feel valued and pupils and parents are happy.'

'Teachers have good subject knowledge'

'The teaching of writing is a strength of the school...pupils make rapid progress and attain very high standards in writing'

'Behaviour is good. Pupils are well cared for; staff promote their personal development well and pupils feel safe.'

'The curriculum gives pupils opportunities to explore subjects in a creative way.'

'Children in Reception have an excellent start to their education. They make rapid progress from low starting points, particularly in phonics, writing and number'

Thank you for all your support to make Wellington a special place to be every day. We will focus our attentions on the next steps for our school, but also continue to maintain our efforts across all aspects of school life.

I thought I would also take this opportunity to share the fantastic outcomes across the school in 2019, which are yet to be formally published but are above national and local outcomes once again. Please see attached to this letter the 2019 results.

We look forward to working with all our families next year to build on this success.

Yours sincerely,

Mrs Norton
