

Year 1 Summer Project 2020

Year 1 will be learning about the local area in September. (Hounslow)

Over the summer either take photos or draw what you can see in Hounslow.

You might draw or take some photos of:

- The high street
- The treaty centre
- The parks
- Places of worship
- Shops
- Transport in Hounslow

You could make a poster, booklet or scrap book using your photos or drawings.

Be ready to share your project on Thursday 3rd September.
