

Returning to school

      
On Monday I will be going back to school. I

   
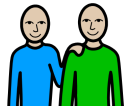

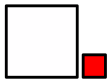

have been away from school for a long time because of the

      
Corona Virus. Corona Virus is a bug, which can make us

        
poorly, so we all had to stay at home and stay indoors

a lot.

         
On Monday I will go to school and see my teachers and

       
some of my friends. School will look a little different

because there will be markings on the floors and my

class will be split into small groups, to keep us

all safe.

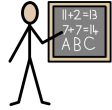

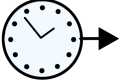

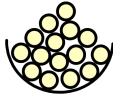

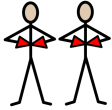

I will need to wash my hands lots for at least 20

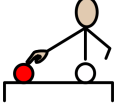

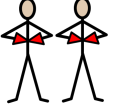

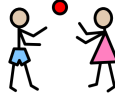

seconds, and my teachers will help me to do this.

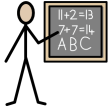

I won't be able to hug my friends, but I can wave at

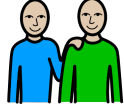

them and say hello. Some of the toys in the classroom

have been put away to keep the classroom clean, but my

 teachers  will  still  have  lots of  things for  us to  do,

 and  games  that  we  can  play.

 I  am excited  to go  back to  school  and  see  my  teachers

 and  friends.
