QUIZZES & PUZZLES

This week the infants have been very busy preparing for their concert which is now only a few days away!

St Paul's Church is also helping the children to practise, with the lighting, sound and the music being checked – it's all getting very exciting.

CHRISTMAS CHOIR

Mrs. Tarring and the choir have been getting into the festive spirit by rehearsing for the concert next week. Tricky notes, difficult rhythms and timings are all being practised by the choir around the colourful Christmas tree. We look forward to hearing you sing!

Open Morning for Reception

Parent were invited to come and look around our school and see if it suited their child. They were taken on tour of the infants by Mrs. Norton.

We hope you enjoyed the visit and will send your child to Wellington.

Brain Teaser!

Which is the left side of a Christmas pudding?

We hope you learn lots of new things from these websites!

Pantomime

Reception were very lucky this afternoon, they watched a Pantomime! There were all sorts of characters dressed up in their funny costumes and made silly jokes. It was a wonderful, vibrant show with plenty of opportunities for the audience to participate. The atmosphere was full of Christmas spirit and the show mixed the traditional pantomime with up to date and a lot of fun!

Did you Know ...?

The image of Santa Claus flying his sleigh began in 1819.

The original Rudolph did not have a red nose.

Tinsel was invented in 1610 in Germany and was once made of real silver.

Brenda Lee recorded "Rockin' Around the Christmas Tree" when she was only 13 years old!

If you gave all the gifts listed in the Twelve Days of Christmas, it would equal 364 gifts.
