

Welcome Back!

CLUBS

PUZZLES

Success is Failure turned inside out!

Welcome back to a brand new academic year at Wellington! We hope all of you had a wonderful summer break and are now ready for an exciting and challenging year at school! As well as exciting, new changes can also be scary! But there is no need to be anxious. Let's all make this year a success and achieve our goals!

CLUBS

Yesterday in the juniors we had a dancer from Step2Sep Dance Academy. Geeta showed us some simple hand movements and their names as well as dancing to music- it was great fun!

There are going to be many clubs running this year including, hand bells, football, cooking, choir, dancing and lots more!

Why not have a go and get involved – look out for the details and join in!

EYFS – Nursery & Reception

This week in Reception the new children have had a super start to the year and have settled in really well. We have been reading stories about starting school, learning new routines using our visual timetable and singing familiar songs too!

We enjoyed meeting the new Nursery children and their parents at the play sessions this week. The teachers were very impressed with their good manners and especially the way they ate their packed lunches.

Check these out!

KS1

Year 1 and 2 have enjoyed coming back to school and they have been busy showing off their projects! They looked amazing!

Year 2 were very pleased this week as they received a letter from Prince Harry, saying thank you for the cards that were sent for baby Archie!

Did you know Baby Archie is 7th in line to the throne?

Year 1 have been busy reading and writing numbers and getting used to their new class teachers.

Brain Teasers

Which is the odd one out?

Did you take part in the Summer reading Challenge?

If so, then bring in your certificates and card to Ms Kahlon.
