

## Roald Dahl

## Singing with others

## Begu has landed?

### ROALD DAHL GALLERY

**Last Friday**, Year 3 set off for a whizzpopping trip! They went to visit the Roald Dahl Gallery in Aylesbury. They travelled there by coach and saw loads of amazing, mind-boggling things! They went in the Great Glass Elevator, got shrunk like Mike TeeVee and stuck in the tube like Augustus Gloop. All while learning about the wonderful world of Roald Dahl and his books, as well as lots about light, forces, sound and history through his stories and the artefacts at the museum.

We loved that the fact we could explore and touch so many of the exhibits; it was a fantabulous day!

**How many books have you read by Roald Dahl? Which is your favourite?**

#### Singing

Mrs Tarring and her choir have been very busy preparing for the Summer Singing Festival at Hammersmith Town Hall in June. Four other Hounslow schools came to Wellington to practise for the big day.

The choir found it extremely useful and fun and are really looking forward to taking part alongside 12 schools from the borough.

#### Reception

The caterpillars are eating lots and they are looking after them and the flowers are beginning to grow in the outdoor gardening area.

The infants are enjoying the adobes and the new hill in reception and they wrote thank you letters to the adults who helped during their trip to Odds Farm.

Reception have been programming the Beebots and directed them around a map of the farm to help the farmer with his directions: forwards, backwards, left and right.

**WOW they have been busy!!!**

#### LOOK OUT FOR.....

14.05.18 – Year 6 SATs  
 21.05.18 – Year 6 JCA trip  
 23.05.18 – Year 6 Whittle & Spark Park  
 24.05.18 – Year 5 Sky skills Studio

### BEEGU WAS HERE?

*It was reported* earlier this week that Beegu had landed in the infant playground! Beegu had to make a crash landing and we are pleased that he was not hurt. He has been spotted around the school even keeping an eye on the caterpillars. There will be more updates later.

The infants have been looking after the caterpillars and they are beginning to spin into a chrysalis and we hope they will have developed into a butterfly within the next 2 weeks.
