### 'YOU DON'T TAKE A PHOTOGRAPH, YOU MAKE IT'

**JUNIORS** – A photographer came to take photos of year 3 pupils, which will be included in a London wide art project, showing all year 3 pupils from all over London. The artist is Steve McQueen and the art work will be shown at the Tate Gallery in London from November. They will be in Year 4 then and will go to see the exhibition in the Autumn term. To find out more about the artist and the exhibition, click [here](#). Have you taken any photos that are illusions? Look at the cat in the photograph. What do you see?

## NURSERY

This week in the nursery, the children have continued learning through the story 'Handa's Surprise.' They have enjoyed creating the patterns and colours of different wild animals such as zebra, tigers, cheetahs and giraffes. They also practised saying the initial sounds of the fruit that Handa has in her basket.

## RECEPTION

This week in Reception, we have been sharing the story 'What the ladybird heard.' [Listen to the story](#).

We talked about how the farm animals worked together to stop the robbers and challenged the children to create their own maps of the farmyard.

In maths we been learning how to solve problems by halving and sharing fairly. Look at the PowerPoint to see if you can work out what each person should get.

## YEAR 1 & 2

Designed some fantastic leaflets about the church in RE using key facts and images. In science this week, year 2 also planted their own bean plants and we look forward to observing how they grow! Have a look at the video to see how they grow in 25 days.
