NOTHING IS IMPOSSIBLE, THE WORD ITSELF SAYS 'I'M POSSIBLE'! (A. HEPBURN)

JUNIORS - Some of the year 6 enjoyed a fun-packed week at the JCA Centre in Hayling Island this week with Ms. Kahlon, Miss. Koundu, Mrs. Tarring, Mrs. Ratcliff and Mr. Norman. From the moment the children got off the coach they took part in activities. These ranged from thrill seeking ones such as the leap of faith, abseiling, gladiator wall and kayaking, to land based activities such as the sensory trail, buggy building and circus skills. The children had a fabulous time experiencing new things, facing their fears and bonding as a year group. The JCA instructors were amazing and made the week very memorable. The other year 6 children had workshops at Whittle and Spark, where they experienced fire making, survival skills and team work.

NURSERY

This week in the nursery, the children have been retelling the story 'Bumpus Jumpus Dinosaurumpus' by Tony Mitton. They have also been singing '10 little dinosaurs' and exploring the size of model dinosaurs.

RECEPTION

This week in Reception, we have been sharing the story 'Farmer Duck.' We have been talking about the importance of helping others and working as a team. In maths we been using language related to time. We have also been enjoying a range of activities outdoors, especially the challenge to make our own 'nature' crown.

YEAR 2

Year 2 have been painting seaside images using finger paints. We have also been retrieving information from our class story, 'The Day the Crayons Quit'.

Our bean plants are really growing and we are being responsible ensuring we water them daily. Some have grown past out predications and are already over 10cm tall!

YEAR 1

We have been acting and writing in the role of Begu this week and have been using some fabulous adjectives to describe.

Key Stage 1 had a wonderful time listening to the African choir on Wednesday.
