

## HISTORY

## MONEY, MONEY

## ALIENS!

### 'BE THE CHANGE YOU WISH TO SEE IN THE WORLD' (GANDHI)

**JUNIORS** – Today the juniors came to school dresses up as someone they admired or was their hero from London. We had the Prime Minister, Audrey Hepburn, Mo Farah, the Queen, Charlie Chaplin, Freddie Mercury all come to school today. Aashka, from Ruby Class, said: *"It is really nice to be celebrating London History Day as we learn so much about all the inspirational people who dedicated their lives to making London a better place to live in for all of us. Through this fun way of dressing up, we learn so much about London's uniquely amazing history."*

Barack Obama, Queen Victoria, Baby Spice, Robin Hood, Charlie Chaplin

## NURSERY

This week in the nursery, continuing the 'space' theme the children have been sharing the story 'Aliens love underpants' by Claire Freedman. The aliens had stolen all the spare underwear in the nursery! The children have been making new underpants and writing letters back to the aliens.

## RECEPTION

This week in Reception, we have begun a new theme for our learning 'under the sea'.

The children were amazed by the range of living things that can be found under the sea and they are trying hard to learn their names.

The focus story is [Tiddler](#) by Julia Donaldson. We used our indoor and outdoor water play areas to explore which materials float and sink.

## YEAR 2

Have been challenged this week in maths, finding the missing number and working with remainders when dividing.

Also, we have been eagerly awaiting the arrival of the butterflies... and we hope to get the eggs into the hatching nests soon!

## YEAR 1

Year 1 have been using money this week and have been using coins to make amounts in maths and ensuring that they have enough money to buy things from their class shops.

Do you know the name of money used in different countries?

## BRAIN GYM

The answer is **MIDNIGHT**.

List 5 questions that could have this as an answer.

## DID YOU KNOW?

An ostrich's eye is bigger than its head.
