

WELLIFEST

Magical Sleepover!

MULAN!

JUNIOR Summer time FUN!

INFANTS SLEEPOVER

It was the event the juniors were waiting for...WELLIFEST! The junior playground had bunting, balloons, music and face painting!

That afternoon we all made summer headbands, they looked awesome and very summery! We all arrived in good time and 'couldn't wait!'. Mrs. Neal was fantastic as the DJ and played the latest songs whilst we danced in the sun. WELLIFEST was amazing, we had our faces painted by Ms. Flora & Mr Lamming and we had snacks and drinks in one of the cool year 3 classes. A good time was had by all and we even got our photos done in the WELLIFEST frame! A great ending to the year!!

Year 2 have recovered from their magical sleepover over the weekend they really enjoyed the evening and all slept very well. The hall had been transformed into the magical world of Harry Potter and Mr Laming put on a magic show! They slept really well in their magical tents and were up the next morning to go home.

Year 2 also enjoyed their seaside day and getting their face painted, paddling in a paddling pool and making sand castles. Year 1 have done some amazing art work this week creating collages of animals.

Year 6 production

Last night year 6 were performing MULAN, their end of year production. Everyone worked very hard. Of course it wasn't all perfect but the year 6 team did their best to make it top notch.

They performed to the school (including year 2) on Wednesday and they performed to the parents on Thursday afternoon and again in the evening. Sadly, the cast will be leaving the school forever on Tuesday. Ian from Ruby said "It was hilarious having to be one of the main soldiers and dress up as girls and have makeup on!"

We hope that year 6 will have a wonderful time in their new schools.

reception

Reception have been busy sharing their memories from the past year – the top 3 were:

1. Dinosaur Workshop
2. Going to Odds Park Farm
3. Making Gingerbread men

They have also been practising how to travel in different ways around the outside area as well as how to control ball.

The children are looking forward to next year and have spent time in class meeting their new class teachers.

BRAIN TEASERS

What word begins and ends with an E but only has one letter?

What type of cheese is made backwards?

What has hands but can't clap?

A house has four walls. All of the walls are facing south, and a bear is circling the house. What colour is the bear?

Which letter of the alphabet has the most water?

What starts with the letter "T," is filled with "T," and ends in "T?"

What goes up but never goes down?
