CHICKS R BACK

Dads helping!

“A trophy carries dust. Memories last forever.” Mary Lou Retton

JUNIORS –This week Y3 and Y4 took part in a tennis tournament which was held at Dukes Meadows. Everyone enjoyed playing tennis a lot. All the year 3 & 4 children who went to the tournament had a lot of fun and learnt a lot of new things about playing tennis. They had to work as a team and beat other schools in the borough. They tried really hard and most importantly they were happy that they got the chance to participate. We are sure all the children would want to have that experience again!

Year 3 and 4 at the Tournament

NURSERY

This week in the nursery (and the juniors), we took delivery of 10 eggs on Monday. The children have been very excited because 9 have already hatched! So far there are 6 'boys' and 3 'girls'. Watch this space for a chick update and photos next week!

RECEPTION

Nearly 80 Dads came to school this week to help reception class make submarines and learn together. They found out how submarines work. They learnt some new vocabulary, such as 'ballast tank' and 'periscope'. The dads and their children created submarines from reclaimed materials indoors and the crates and baskets outdoors.

Dad very busy making submarines with a group of children.

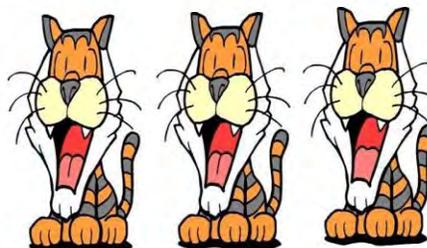

YEAR 2

The Infants had a great time at their sports day on Tuesday morning. All the children took part in different events. These included Javelin throwing, sprinting, hurdles, ladders, bean bag throwing and egg and spoon race. Thank you to all the mums and dads who came along and took part in the races!

YEAR 1

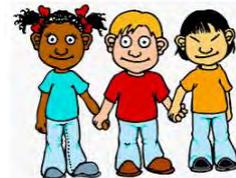

Year 1 went to the zoo and they had an amazing time. **“We can't wait to see the elephants!”**, one girl from Aspen shouted on the morning of the trip! They were very well behaved and enjoyed meeting the animals.
