## Welcome

### A PICTURE IS A POEM WITHOUT WORDS – HORACE

**JUNIORS** – Yesterday the juniors all put on their party clothes and dancing shoes, came back to school for WELLIFEST and danced in the sun! The decorations were up, sound system working and the weather just perfect. Mrs Neal was the DJ and played our favourite songs, there was a chance to have our photo taken in frame and face painting was done by some very talented teachers, as well as drinks and treats being served in a cool classroom.

There were Infant and Junior Art exhibitions this week. These were enjoyed by parents and they were able to buy the work of art. Well done everyone you all worked really hard!

## NURSERY & RECEPTION

This week in nursery and reception they have been watching the chicks change and grow. The last egg hatched and it was another 'girl'!

The chicks have also visited the children in Reception and Key Stage One and the children have been able to see how they have been growing.

The children named the chicks, Arnuv, J-Lo, Mama Sita, Papi, Chuto, Kentucky, Peri, Prabu, Sam, Sheila and Tonto. Every morning, children come in to the nursery and the first thing that some of them said was "Let's go and see the chicks."

## YEAR 2

Year 2 have been busy designing and making wind breaks in art.

They have also been retelling Claude at the seaside and looking at ways to use connectives and different sentence starters.

Caterpillar update... most of them have spun into pupas now and will hatch into butterflies in a few days... we are extremely excited!

## YEAR 1

This week Sycamore had a non-uniform day as everyone in their class was in school every day for two weeks! Well Done!

## BRAIN GYM

Suggest four different uses for a house brick.

## DID YOU KNOW?

That some snakes can live for months without eating?
