Year 5 Assembly

Yesterday, Emerald class did an assembly on 'Being Me', it was fantastic and we learnt how to be yourself. Srudhika, explained in more detail, *"being yourself doesn't mean that you should always listen and do as others want you to, this would mean that you are not thinking and choosing for yourself"*.

One of the messages in their assembly was to have the right to your own belief - Article 14 says, *"You have the right to think and believe what you want and practise religion"* as well as the right to relax and join in activities – (Article 31)

YEAR 6 at Chertsey

This week year 6 went to Chertsey Museum to find out about World War II. It was really interesting finding out how people lived during the war, Kaushiki said, 'I enjoyed the drama "black out", and we actually got to experiment what it was like in the war. Shakiba, added, 'making and wearing the masks felt really humid and hard for everyday life'. Did you know World War took place between 1939-1945 and was the most destructive war that ever took place? We thoroughly enjoyed looking at the objects...can you work out what these are and what they were used for. Ask Y6 to find out.

Year 1 and Year 2

In Year 2 we have tried really hard with maths this week, trying to add 2 digit numbers Some of us even added 3 digit numbers. We have also been writing about our trip to Shrek Adventure Land.

Nursery

This week all of the children are in and they are happy and settled in the nursery. We have been sharing the story 'Walking through the Jungle', creating our own animals and making jungles. We have had fun making animal noises too, roaring like a lion and snapping like a crocodile.

Reception

This week we have been very busy learning in school full-time! We have been sharing the story 'Oliver's Vegetables' and learning about food that is good for us. We have printed using fruit and vegetables linked to the letter sounds. We have been learning and creating collage pictures of our favourite meals.
