Diamond Class Assembly

Year 4

This week Diamond class did an assembly on Black History month. They showed us how famous black people had changed our lives and made history.

As part of the assembly we mentioned article 2 and 30 of the United Nations Rights of the Child and British Values, Individual Liberty and Mutual Respect and Tolerance. The thought of the day came from Martin Luther King, " I look to a day when people will not be judged by the colour of their skin, but by the content of their character - The time is always right, to do what is right."

In year 4 we have had such a busy week! On Wednesday we went to the Gurdwara on Alice Way. We had to cover our heads and take off our shoes when we went inside the Gurdwara; it was so quiet. We learnt about the Sikh religion and the **5K's**, do you know what these are?

There were lots of rooms and one very large hall where people went to pray in front of the holy book which is called the **Guru Granth Sahib**. There was also a place where everyone could have something to eat.

Year 1 and Year 2

In Year 2 we have enjoyed designing and painting our buses – it was great fun! We have also been learning to tell the time, using quarter past and quarter to.

TELLING THE TIME - QUARTER PAST/TO SHEET 2

Write the correct digital time underneath each clock. The first one has been done for you.

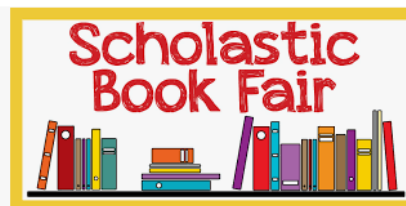

How long does it take you to get ready for school?

When is it break time?

When is it home time?
