

## PARENTS AT SCHOOL

## INTERNET SAFE?

## Puzzles...

### PARENTS IN CLASS

This week parents came to school to learn with us! They had a variety of lessons which included Maths, English, Science and ICT!

The parents had to sit in class with the children and learn with them! 'This way of learning is very different to when I was at school', said one parent and another said, 'the children know so much!'

We enjoyed having them in the class, it was a good opportunity to show them what we did in class.

### INTERNET DAY

On Tuesday it was Safer Internet Day and the theme was *Together for a better Internet.*

Wellington Digital Leaders explained what this meant in their assembly and the key message was to ask an adult if you were unsure about something.

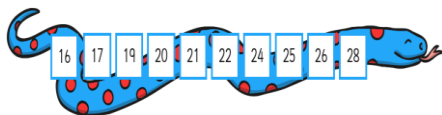

#### TOP TIPS

- Be respectful to others
- Never share your password with anyone
- Tell your parents if you feel uncomfortable with what you see on the internet
- Never send inappropriate messages to anyone
- Always report something you are not sure about.

### YEAR 1

Year 1 have been learning about tens and ones in maths and counting forwards and backwards.

They have been using the number line to add and subtract numbers this week and using a 100 square to help them.

Can you spot the mistake?

### YEAR 2

This week Year 2 have been explaining what each person did on a pirate ship in English.

Do you know what the jobs are for the .....

- Captain
- Sailing Master
- Quarter Master
- Boatswain
- Mate
- Cabin boy

Y2 also made pirate ships out of fruit!!!

### Puzzles !!!

How many words can you find within

INTERNET

RIDDLES.....

What can travel around the world while staying in a corner?

I'm tall when I'm young and I'm short when I'm old. What am I?

What has hands but cannot clap?

What kind of room has no doors or windows?
