

Wellington Primary Topic Assessment

Parental Information

Year Group – R

Term – Autumn

Topic – Let's explore

Memorable Experiences – Pantomime visit (More information to follow)

In the Let's Explore project, your child will explore their class environment and school grounds so that they feel settled and happy in their new surroundings. They will learn about the local environment and find out about places they have visited on holiday. They will look at and create maps for journeys.

Supporting your child at home

- Use [Google Earth](#) to explore the locality.
- Go on a walk around your local community and talk about the things that you see.
- Encourage your child to talk about the activities they enjoy doing at school.
- Share and discuss the [Did you know?](#) resource.

Your child will receive a copy of the 'Did you know' below to aid their learning. Please take time to look through this at home with your child.

Should you have any questions please don't hesitate to contact the Year Group Team.

Did you know?

Read these interesting facts about the world and communities with a parent, carer or teacher.

We live on a planet called Earth.

A community is a group of people. We are all members of different communities, including our family and school.

Living things, including people, animals and plants, share the environment.

Maps show 2-D images of land, seas and oceans.

A map can help us to plan a journey.

The United Kingdom is made up of four countries. These are England, Northern Ireland, Scotland and Wales.

Key vocabulary

Explore these words together. Talk with an adult about what each word means and use the words in a sentence or as you play.
