Indonesia's president is suggesting a new capital city

Indonesia's president, Joko Widodo, has suggested to change the capital city. If the plan continues, Indonesia would join a long list of countries that have changed capitals. Jakarta would now no longer be the capital city of Indonesia. Although, what the new capital city would be has not been announced, it has been rumoured to be Palangkaraya. The reason why the capital city is changing, is because the current capital city, Jakarta, is starting to sink in water due to ground water drilling for drinking.

Additionally, it has a population of 10 million people.

New Sherlock Homes 50p Royal Mint now revealed

To celebrate the 160th anniversary of the birth of the Sherlock Homes' creator, Sir Arthur Conan Doyle, the new Sherlock Homes 50p Royal Mint has been released. The coin itself has a picture of Sherlock Homes on the front, with all the cases that he has solved, so tiny that you need a magnifying glass to read all of it. The coin designer, Stephen Raw stated: "I hope it will encourage the 'inner detective' in those who are intrigued by the coin. Naturally, the only way to solve the 'mystery of the text' is to use the magnifying glass, an essential piece of equipment used often by Sherlock Holmes." This 50p coin is now available on the website, Royal Mints, for £10.

SATS Week

This week is SATS week.

The Year 6's have been working very hard in their SATS and are hoping to receive a high mark. At first, they were a bit scared of the test, but once they got used to it, they weren't as scared as they were before. However, this didn't mean that they weren't going to be calm throughout the whole week; they were actually quite the opposite, since the difficult tests made them quite anxious.

JCA

Next week is JCA for Year 6 and they are very excited, for the many great activities they will be able to do. The Year 6's worked incredibly hard for their SATS, so JCA would be a great reward for their efforts and work this week.

Unfortunately, not all of the Year 6's will be able to participate in the amazing trip, but while some are gone, the rest are still going to do some fun activities in their classroom. The Year 6's, who are going to JCA, will go to Whittleland Spark. JCA is located on Haylings Island for more details.

Article of the Month

Article 38 of the UNCRC- You have the right to PROTECTION from war. Children under 15 cannot be forced to go into the army.

Some facts:

Since the war started in South Sudan, UNICEF has helped 6000 children find their families again.

After all the fighting in Syria, in 2018 UNICEF helped 1.8 million children get back to school.

Remember:

- These rights apply to everybody under the age of 18.
- These rights are universal. This means they apply to all children, no matter where they live, what their religion is, if they have a disability or not, if they are a boy or a girl, whether they are rich or poor.
- These rights are unconditional. This means there is nothing you can do to have your rights taken away from you.

COMPETITION TIME!

Create a poster to tell everyone about this right. Are there any places in our world where children are not able to enjoy this right?
