Merit Assembly

Wellington News Welcome Back!

Welcome back to Wellington! We hope you had a great half term, and an amazing time while on your holiday. Now that you are back in school, you need to try your hardest and produce the best work you can. We are now more than halfway through the year, and you have all done great so far. Keep up the work for the next half of the year and never give up.

Reading Rangers

A group of boys have been chosen from years 5 and 6 as our reading rangers. The reading rangers will be visiting the Hounslow House, home to the Civic Centre, and will be seeing Onjali Q. Raúf, the author of 'The Boy at the Back of the Class'. Over half term, they have been reading a book called, 'The Dog who Saved the World'. They will bring it to the Hounslow House and will ask questions to the author. Haroon, one of the reading rangers quoted, "It has been a great opportunity to be visiting an author of a book I have read before, and I can ask them why they chose the specific events in the plot!" Miss Kahlon will also choose some girls to also become reading rangers.

Making Puppets in year 2.

Wellington Amaryllis Competition

A few months ago, every class had been given an amaryllis. An amaryllis is a type of plant, which can then become a flower, if you look after it properly. The challenge was to grow your amaryllis and take good care of it. The competition was between all the junior classes. Every week, in merit assembly, all the amaryllises will be measured to see who might be winning and how the other amaryllises from other classes are growing. The winner was based on which plant out of all of them is the tallest and most beautiful. The winning class was Coral Class! Congratulations to everyone for trying their best to win. The challenge will continue through the year, to see if any other classes' flowers bloom.

Local / National news

Flood set to the last ten days in Shropshire

People living in Shropshire, in North Wales have been told to evacuate immediately. The Environment Agency predicts that the amount of water in the river has risen more than two metres. The police warned that they should expect ten days of flooding. People were trying to let fields flood to protect people in towns. 'We knew it was close to a river, but never did I expect it to be like this.' Most people are really worried and hope that soon this flood will be recovered. For now they are safe in evacuation. There will hopefully be no more floods in North Wales and everything will be recovered.

Heathrow expansion put to a stop due to a case

Recently, there has been a stop to the Heathrow Expansion because of a case which was won over. This was because of climate campaigners bringing up the case due to the climate wrecking third runway. The government's Heathrow's expansion decision was unlawful because it did not take climate commitments into notice, this was what the Court of Appeal said. The judges said the in the future, the third runway could go ahead, as long as it fits with the UK'S policy.

Thinking Hats and Skills

These are the thinking hats. They help you analyse your work and make improvements. They help us focus on our thinking, and make us think deeper, so we have a better understanding of the task that we are carrying out, as well as what we are good at and what aspects of our learning needs some improvements. Thinking hats help us to decide on what steps we need to take in the future, to improve and become better. The white hat is about information and facts. Red hat is about what emotions and feelings you have when you are doing your work, about it and many more. Yellow hat is about what you are proud of doing in your work, and black hat is about what improvements you can make next time. The green hat is about your creativity and uniqueness. Finally, the blue hat is about organisation and planning

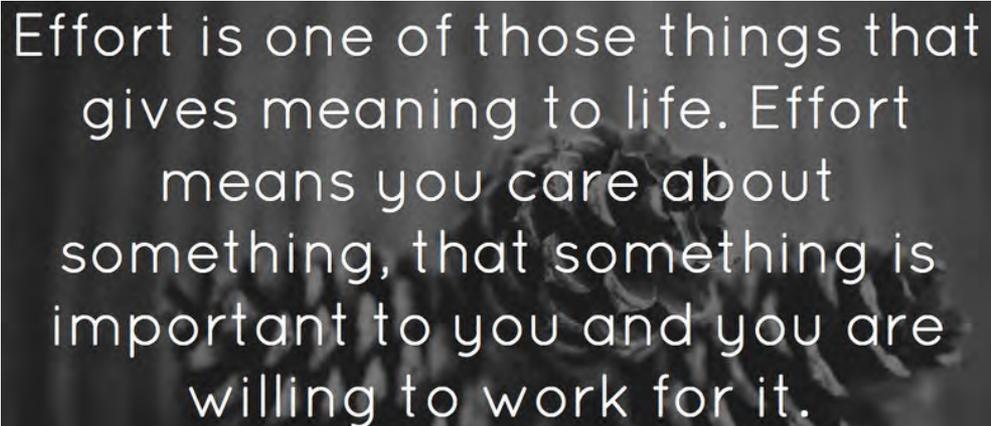

Sorting tallest to smallest in
Year 1 Maths.

Growth-Mindset Quote of the Week:

Effort is one of those things that gives meaning to life. Effort means you care about something, that something is important to you and you are willing to work for it.

- Carol Dweck

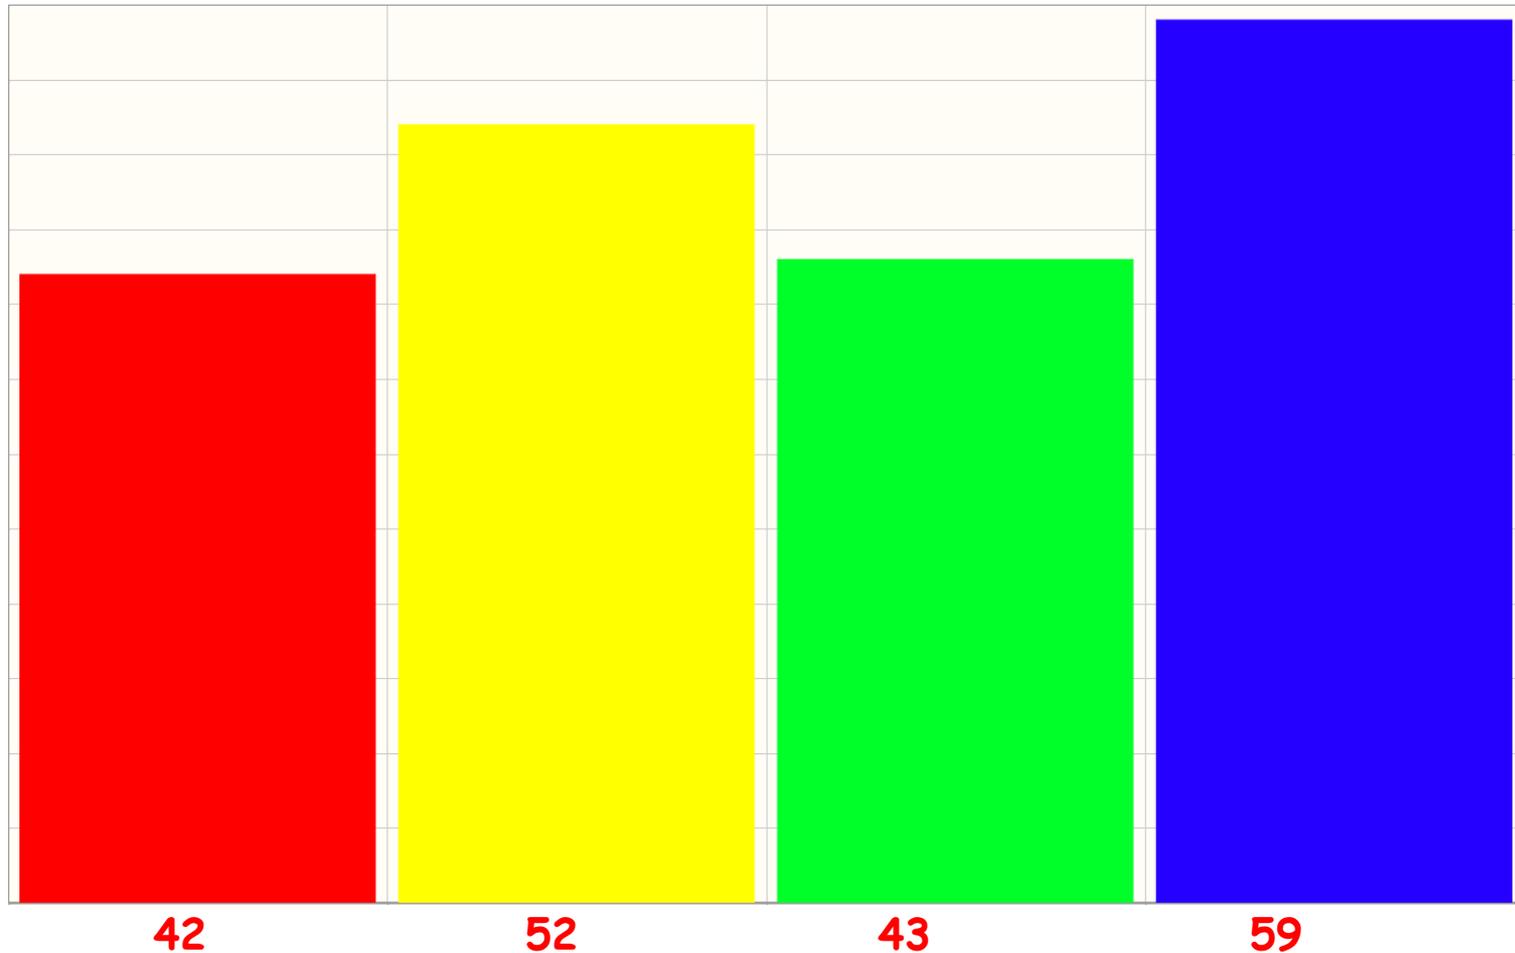

Effort is one of those things that gives meaning to life. Effort means you care about something, that something is important to you and you are willing to work for it.

Carol Dweck

Remember to take great care crossing the roads when moving between and around the schools.

Always use the crossing points and look left and right for any cars for safety.

Team Points

This week with 59 points, in first position, we have Blue. Catching up, we have Yellow with 52, and next is Green with 43 points. In last place it is Red with 42 points. Try harder next time for your team to get more points! Work hard and get those points on your class chart!

Merits:

Merits are a great reward and to get one your work should be **AMAZING** to receive a merit.

Three Merits = One white Badge

Three White Badges = One Team Badge

Three Team Badges = One Gold Badge

Remember

- Don't forget to use bug club and Purple Mash. Purple Mash will help you with your new topics in your learning and bug club will help you with your reading.
- Make sure you read about 15 minutes a day at home with a parent.
- Do not forget to do your homework and bring it in on the date that it is due in. Always do your homework in the best standards.
- Always try to have good behaviour; it will help you to get a stamp on your loyalty card.
- Make sure you practice Times Tables Rock Stars. Try and become a Rock Legend by the end of the year!
- Also complete your spelling booklets because they can help you learn new words along with words you know with different meanings.
- Pay attention in class. Use the content domains to boost yourself in English and times tables in Maths.
- If you need help with Maths then use MyMaths which can help you in your Mathematics tests.
