Remembrance Day

On the 11th November, it is Remembrance Day, the day to think about the valiant soldiers who sacrificed themselves in the wars of the past, like World War 1. The Year 6's have been selling poppies to the school at the lowest price of 20p to the highest price of £1. We all need to remember that the brave soldiers saved many lives, whilst losing theirs, so we must be grateful. The most important thing to do on Remembrance Day is to have two minutes silence at 11 o'clock.

Bonfire Night Special Lunch

On Tuesday, we had a spectacular lunch for Bonfire Night: glazed hot-dogs with wonderful toppings with an additional toffee cake. The special lunch was prepared for Bonfire Night, which was on that day. The hotdogs were delicious, and the toffee cake was absolutely amazing.

Children in Need- Pudsey Day

Next week, on the 15th November- Friday- its Pudsey Day and we all have to try and raise as much money as we can do try and help all the children in need. All you have to do is to bring £1, or more if you'd like, and wear bright clothing, which could also be spotty if you have some spotty clothes. All of the money donated directly goes to the Children in Need Charity.

Ancient Oak Tree has been voted England's favourite tree for its legacy of luck

In Liverpool, the Allerton Oak tree has won England's 2019 Tree Award, which celebrates trees for their beauty, character and special history, across the UK and Ireland since 2014. The Allerton Oak tree received 34% of the 11,000 votes and is believed to have still been standing since the Normans conquered England in 1066. The Allerton Oak tree also has a crack in the side of its bark, which is said to have been endured from the explosion of the gunpowder ship, Lottie Sleigh. This majestic tree is situated overlooking Calderstones Park, in South Liverpool.

World Para-Athletics Championships start

Yesterday, the World Para-Athletics Championships started, and this year, it is being held in Dubai. Some of the world's best para athletes will be coming together in the United Arab Emirates. More than 1,400 athletes from 122 countries will be competing in many events over the week.

Thinking Skills

These are called the thinking maps. Usually these are put in your classrooms to think using logical skills inside your brain.

There are other ways for people to organize their thinking and share their thoughts and process with others.

Article of the Month

Article 19 -You have the right to be protected from being hurt or mistreated.

Growth-Mindset Quote of the Week:

If you change the way you look at things, the things you look at will change.
