

## My Year 1 Learning Journey – Summer 2019

### ENGLISH

We will be creating our own comic book adventures based on the story of Traction man. We will be exploring emotions and settings through the story of Beegu. We will be writing non-fiction texts and using role play to help our writing. We will start exploring a wider range of punctuation and apply it in our writing.

Phonics – We are going to blend and segment alien and real words to help us with our reading and prepare for our phonics test in the beginning of June

### MATHS

We will be learning about multiplication and division.

We will be moving on to learning about number fractions.

We will then move on to geometry position and direction and number place value within 100

### TOPIC

Science – We will compare sounds in our environment to sounds inside. We will later learn about animals including humans. We will clarify which groups different animals belong to and why.

Geography – We will be looking at various weather patterns in the UK. We will compare the weather in the UK to different countries. We will name and describe seasonal changes.

### Trips and visits

We will be visiting London zoo!
