

My Year 2 Learning Journey - Summer 2018

ENGLISH

During the summer term we will be reading Winnie at the seaside. We will be comparing this story to other stories we have read this year. Also we are going to gather adjectives to describe the seaside and characters. After retelling the story we will plan, write and edit our own story set at the seaside.

Next we are going to read and analyse Claude at the seaside. We will then write our own story about a dog that has a seaside adventure! We will be writing diaries and letters in role.

MATHS

During the summer term we will be learning how to reason about mathematics. We shall use our mathematical vocabulary to explain how we achieved our answers.

We will be problem solving using our place value knowledge and begin learning how to use the column method to add and subtract.

Next we will be comparing the properties of 2D and 3D shapes. We will learn and recite our 3 times tables and begin solving division problems with remainders.

SCIENCE

We will be learning about the life cycle of different plants and how they change throughout the seasons. We will be growing and looking after our own plants. We will be observing how chicks and butterflies grow and change.

Trips and visits A visit from Chertsey Museum learning all about the seaside in the past. Regular visits to the junior school to complete some fieldwork and help you move to your new classrooms.

TOPIC

During topic we will be learning how the seaside has changed. We will be discovering historical artefacts. We will be sorting features of the seaside into different categories and considering how we can stay safe there.

ART

We will design and create our own windbreaks. We will be making lots of symmetrical patterns using different media.

PE This term we will be practicing a range of skills to prepare ourselves for sports day. We will also be creating simple dance routines to perform to each other

MUSIC We will use a range of instruments to create seaside sounds. We will learn a range of seaside songs

ICT We will be learning about programming. We will be generating a sequence of instructions to move a bee bot.

RE We will be learning about different stories that Jesus told. We will also be considering how Ramadan is celebrated

DT This term we will be designing our very own ice cream sundae. We will be cutting up different pieces of fruit to put into our sundae and eating it on our seaside day!

PHSCE This term we will be thinking about how we change. We will think about different ways we can solve problems with our friends.

How can you help your child?

- Read with your child every day

Bug Club

- Begin learning your 3,4 times tables.

3 Times Table				4 Times Table			
0	x	3	= 0	0	x	4	= 0
1	x	3	= 3	1	x	4	= 4
2	x	3	= 6	2	x	4	= 8
3	x	3	= 9	3	x	4	= 12
4	x	3	= 12	4	x	4	= 16
5	x	3	= 15	5	x	4	= 20
6	x	3	= 18	6	x	4	= 24
7	x	3	= 21	7	x	4	= 28
8	x	3	= 24	8	x	4	= 32
9	x	3	= 27	9	x	4	= 36
10	x	3	= 30	10	x	4	= 40
11	x	3	= 33	11	x	4	= 44
12	x	3	= 36	12	x	4	= 48

- Keep a diary over the summer holidays
- Visit the library regularly
