**Reading Comprehension**

**LI: To read and respond to comprehension questions**

This week you will be allocated a book to read and answer questions on a book in Bug Club.

You will need to log in and read the book as usual, answering the bug questions and then answer the questions given on Google Docs. Once you have completed this, you will need to work on the longer writing task.

**The standard of this work will need to be the same as what you produce in school in your purple task books.**

Log in to book club and find the books below (they should already be allocated)

1. Read the book
2. On google docs answer the questions - giving evidence *from the book* to support your answer.
3. Complete the written task underneath your questions.
4. Return the completed task.
