The week at Wellington!

Junior Adventure Trail

During the holidays, we will be having a new adventure trail installed into the junior playground. The junior children have chosen elements of the design so that it is challenging. We hope the children look forward to using the new equipment.

Contact Details

Please can you ensure that the school offices have at least two up to date contact details for your family. If your contact details change during the school year please let the relevant office know immediately, so that we can contact you in an emergency.

New Menu

The lunch menu will change after Easter. It will be available on the website next week. Look out for special Easter desserts on 4th April and other Theme Day menus.

Ties

Pupils can wear short sleeve shirts, but ties are to be worn all year now, unless your child is wearing a summer dress when the weather improves.

Mrs. Huq

Mrs. Huq will be going on maternity leave at the end of next week and Miss Robertson will be taking Yew Class in the summer term. She has been getting to know the children and ensuring there is a smooth transition after the holidays. We wish Mrs. Huq well and look forward to meeting her new baby.

Math Workshops

Next Tuesday there will be a Math's workshop for Reception and Year 1 parents on how to use Numicon. Please go to Ash class on Tuesday 2nd April if you are interested.

Maths Numicon Parent Workshop

Come and learn how to support your child at home with their maths using Numicon

Refreshments available

For Reception and Year 1 parents on **Tuesday 2nd April from 9:05am** in Ash Class.

Run by Miss Strange & Miss Gaffney

| 13 th May | Year 6 SATs Week |
| 20 th May to 24 th May | Year 6 JCA Residential Trip |

Question of the week

If you could create your own theme park, what attractions would it hold and why?

Send your answers to Mrs Gleeson and try to use thinking maps and hats.
