Primary**

**100% Attendance  
Aspen class**

## The week at Wellington!

### Class Photographs

The children looked very smart in their uniforms with ties this week. Children will bring proofs home as soon as we receive them.

### Parents' Evening

We will be holding our parents' Evening on Tuesday **20<sup>th</sup>** and Thursday **22<sup>rd</sup> November**. We will be sending out appointments via ParentMail so that you can select the time that is convenient for you.

### Poppies

Year 6 will be selling poppies next week, donations from 50p please. There are also a selection of wrist bands, bracelets and badges that are on sale for a minimum donation of a pound. However they will sell out fast!

### Children in Need

On Friday 16<sup>th</sup> November, Pudsey will be out in the playgrounds before and after school collecting donations for Children in Need. Why not have your photo taken with him? Children can wear spotty clothes and donate a pound to Pudsey too on that Friday.

### INSET Day

Wednesday 7<sup>th</sup> November is an INSET day. We have booked it mid-week to help families to celebrate Diwali without missing any lessons. Happy Diwali to everyone celebrating Diwali.

### Firework Code – Stay Safe

Only adults should deal with setting up firework displays, the lighting of fireworks and the safe disposal of fireworks once they have been used. Children and young people should watch and enjoy fireworks at a safe distance. Follow these top 10 tips for a safer fireworks party:

1. Plan your firework display to make it safe and enjoyable
2. Keep fireworks in a closed box and use them one at a time
3. Read and follow the instructions on each firework using a torch if necessary
4. Light the firework at arm's length with a taper and stand well back
5. Keep naked flames, including cigarettes, away from fireworks
6. Never return to a firework once it has been lit
7. Don't put fireworks in pockets and never throw them
8. Direct any rocket fireworks well away from spectators
9. Never use paraffin or petrol on a bonfire
10. Make sure that the fire is out and surroundings are made safe before leaving.

## Question of the week

**If you could create an app, what would it be about and why?**

**Try and use a thinking map**  
**Send your answers to Mr Berryman**

Please visit [www.rospea.com](http://www.rospea.com) for fun videos to keep your children safe.
