100% Attendance

No Classes this week!

The week at Wellington!

Merits

We were very impressed today with some of our Yr3 children. Two children were awarded their GOLD badge, this involves collecting 27 merits. Occasionally children will achieve their gold badge by year 4, but these children have really impressed the staff. Well done. They will receive their badges next week, as they were out at the Roald Dahl Museum today.

Attendance

Many children still have 100% attendance and are on track to be in the end of year attendance raffle for the iPad or tablet. Well done. Everyone should be aiming for this and at least 97% attendance.

Currently the top three classes for attendance are:

1. Obsidian 99.58%
2. Oak 99.14%
3. Diamond 99.15%

Well done to everyone in these classes. Can other classes improve and take their position?

Sutton Lane Footbridge

We were all pleased to see this bridge reopened this week and to see the traffic lights disappear after at least 6 months. Thank you for your patience whilst these works were carried out over the winter, I know it was very challenging for us all. The scaffolding is also due to be removed in night engineering works by the end of June.

The new walkway is brighter and cleaner. Mr. Roche and his team will be keeping an eye on the litter and reporting or helping to clear, so that it stays in a good condition for the community.

Bronze Rights Respecting Award

Mrs Murphy has worked tirelessly with the RRS steering group. They did an excellent job promoting it across the school and involving all stakeholders. We enjoyed many assemblies on the rights of the child and all the articles.

The pupils have led the way on this and I have been so impressed with our steering group. Well done everyone!

Teaching Assistant Vacancy

We are looking for a Teaching Assistant in the infants for the autumn term. If you are interested, please pick up an application form from the infant office (level 3 is desirable but level 2 essential).

Dates for your diary

7.5.18	Bank Holiday – No School

4.6.18	Thames Explorer Trip-Diamond and Jade
6.6.18	Thames Explorer Trip- Emerald

Question of the week

If you could make your own animal, what would it look or be like and why?

Send your answers to Mr. Berryman and try to use thinking maps and hats.
