100% Attendance

Sapphire

The week at Wellington!

Class & Individual Photographs

The class photos will be taking place on **Monday 29th October 2018**, which is the first day of the winter uniform. Please ensure your child has a tie and a school shirt. Individual and family photographs will be on **Monday 4th February 2019**.

Reception

We have been really impressed by the children in Elm Birch, Yew and Oak who have settled quickly into school this year. They look very smart in their new uniform. They have been very calm and taken to full time education easily. Thank you parents for working with us to make their start to school run so smoothly.

Secondary Transfer

The deadline to complete your secondary transfer application online is **Wednesday 31st October 2018** at midnight. Please put as many choices as you can on the form, as the LA will offer another school if you do not get your first choice. The online application can be found on: www.hounslow.gov.uk/admissions and if you require any advice or guidance you can contact the admissions team on 02085832711 or admissions@hounslow.gov.uk.

Harvest Festival

Please remember to donate a food item next week.

On **Thursday 11th October** Amber Class will be leading a special harvest assembly in the school. They will be asking for non-perishable food items such as tinned soup, packets of rice etc. We will then donate these items to our local Food Bank to help those in our community in need. Thank you for your help with this.

Flu Vaccinations

Reception, Years 1, 2, 3, 4 and 5 will bring home flu vaccination consent forms. Please complete and return to school by Friday 12th October to ensure your child receives their vaccination. This will take place on Thursday 1st November in school by the Hounslow Immunisation Team. For further information, see: www.nhs.uk/child-flu.

School Lunches

The menu changes each year by the end of October. Please visit our website to see the new menu and talk to the younger children about their choices. Please can you remind your older junior children to order their school meal every day in the classroom. We have also posted the Wilson Jones Food & Catering Policy onto our website. This also provides further information on the steps to be followed if your child has an allergy or food intolerance.

Year 1 Learning about Harvest in the classroom.

Year 1 found out about why we celebrate harvest in the UK and around the world.

Year 4 Visit to the Gurdwara this week.

Year 4 had lots of questions and enjoyed their trip.

Question of the week

If you could discover a new species of animal, what would it be and why?

Send your answers to Mr. Berryman and try to use thinking maps and hats.
