Wellington Primary

The week at Wellington!

Photographs

On Monday we had a photographer in school taking individual and sibling photos. A photograph proof will be sent home next week with an order form.

Parents' Evening

We will be using the electronic Parents Evening system again this term. Look out for an invite coming soon to book appointments for the 5th and 7th March.

Open Mornings

We hope you enjoyed joining your child for the morning this week. Below are some of the many positive comments made by parents attending the sessions this week:

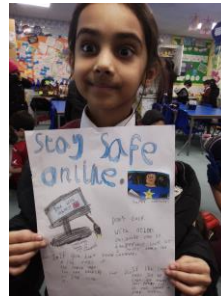

'I think that the way the school asks the children to think through (with evidence) their answers is excellent. Active learning in year 3.'

'This was really amazing. I learnt my first programming class at university and now these children are learning advanced skills at the age of seven.'

'Excellent team work between the teacher and children. The tools used were fantastic. Loved the energy of Miss Koundu and the way the all the children were positively engaged.'

'I was very impressed with the positive learning environment and passion and enthusiasm of all the staff. Our children are very fortunate. Thank you for arranging this opportunity'

Safer Internet day 2019

Mr Short and our Digital Leaders led an excellent assembly on internet safety this week. This Safer Internet Day, the UK Safer Internet Centre is focusing on how consent works in an online context. It will explore how young people ask for, give and receive consent online. This could be in their friendships or relationships, how they take and share images and videos or how they manage their privacy and data. This quiz is designed for 8-13 year olds, but can be played by anyone!

How much does your child understand about consent in a digital world? Take their quiz together and find out.

Please go to:

www.saferinternet.org.uk/safer-internet-day

Question of the week

If you could invent a machine to help you at home, what would it do and why?

Try and use a thinking map
Send your answers to Mrs Gleeson
