Sycamore

The week at Wellington!

Nursery Applications

Many of the new nursery children for next year have siblings already in our school. Offers will arrive by Tuesday, 21st May and must be accepted or declined by returning the slip by Thursday, 6th June 2019. We have many families waiting for a 30 hour or morning place and your places will be at risk if offers are not accepted by that date.

Sports Days

We have planned our sports days for the following dates, hopefully the weather will be good on these days:

Infants & Reception - Tuesday, 18th June on the infant Field.

Juniors - Thursday, 13th June on Church Meadow Field (the large field next to school).

Approaching Pupils and Parents

Please do not approach pupils without their parents' permission before or after school. This can be very intimidating for children and scare them. Please talk to school staff about any issues and avoid talking to pupils and other parents directly in the playground.

Year 3

This week our year 3 took part in the Tate photography project with the artist Steve McQueen. He invited every Year 3 primary school class in London to be photographed. These class photos will be brought together into a single large-scale installation, capturing tens of thousands of Year 3 school children in a milestone year in their development. Hopefully we will be able to spot our Wellington pupils when the art installation is revealed. The children enjoyed the experience of working with this artist.

Question of the week

If you could make up any new dessert, what would you call it and why?

Send your answers to Mrs. Gleeson and try to use thinking maps and hats.

Internet Parental Controls

Children now spend a lot of their spare time online. Nationally there has been a real change over the last 5 years in the level of knowledge & skills that children have at even 3 years old. At school we have strict controls over what pupils can access online and have filters and controls. Children need the same protection at home too. Please visit www.thinkuknow.co.uk for some excellent advice, videos and resources about how to keep your child safe. This site also does some excellent factsheets for parents on the following topics:

- Using parental controls
- What to do if a child has seen something inappropriate online
- What to do if a child has shared too much online
- Grooming

Year 6 Residential Trip JCA

The JCA residential trip for year 6 is fast approaching. Please do remember the following points:

- Packed lunch required for the journey on Monday 20th May
- Will return to school on Friday 24th May by 3pm
- Any medication to be labelled with names and dosage instructions
- No more than £20 spending money, to be in a named wallet/purse
- No sweets, crisps, snacks or chewing gum
- No mobile phones or iPads etc.

If you have any questions, please speak to the junior office or the year 6 team.

Dates for your diary
