The week at Wellington!

Children in Need

Next Friday we will be fund raising for Children in Need. Children can come into school wearing spotty clothes and bring in a £1 for the charity.

Parents' Meetings

We are holding parent and teacher consultation meetings on Tuesday 21st November and Thursday 23rd. Please make sure you have booked your appointment time via the parentmail site. This is the first time we are trying this system and hopefully this will allow parents to choose times in both schools that are convenient for them. We look forward to seeing all parents.

School Opening Ceremony

The Mayor will be coming to officially open our new junior school on Tuesday 28th November.

Governors

We welcome two new governors to our Governing Body, Mr Harjit Bal and Mr Ajitkumar Makwana. We look forward to working with them and thank them for volunteering their time.

Christmas Lunch & Jumper Day

The children will be having their Christmas lunch on the 15th December. I have also heard Father Christmas will be visiting the infant school on the 18th December.

Safety Online

A recent Government Green paper has highlighted that

- **20% of 7-11 year olds admit they don't know how to report someone online.**
- Children fearing their parents would stop them playing online if they reported the bullying, was the main reason why they did not want to tell. Less than 50% of 8-11 year olds read terms & conditions before signing up to social media sites (Growing Up Digital - Children's Commissioner Report)

Please continue to talk to your children about being safe online and about reporting anything that concerns them. Many apps also share the location of users without the user knowing. It is important if using these apps to make sure you check whether your child's location is being shared.

Location Sharing Apps

Pokemon Raids – meeting up in one location for raids
Snapchat – maps to show the location of users.

<https://support.snapchat.com/enUS/article/location-snap-map> (information from snapchat about the location service and how to turn it off).

Youtube kids: This was introduced in 2015 which allows more precise parental restrictions and time limits for children. Below are some more helpful websites for parents.

Question of the week

If you could turn into any animal for a day, what would it be and why?

Try and use a thinking map

Send your answers to Mr Berryman
