The week at Wellington!

Homework

We have launched MyMaths (www.mymaths.co.uk) again, in response to our annual parent questionnaire. We are moving to increasing homework and support for parents through online systems now that these packages work well on tablets, laptops and computers. MyMaths gives instant feedback and support to both children and parents. Teachers can quickly assess progress and set new challenging tasks for pupils. All pupils are set homework on a Thursday and this should be returned to school on Monday. Reading and spellings are ongoing tasks throughout the week. Please talk to the class teacher if you are experiencing any problems.

Watches

No jewellery is to be worn in school. However older pupils might like to wear a watch. If watches are brought to school they must be inexpensive and are at your own risk. A year 4 girl has lost her watch this week, if you find a watch please hand it into the school office.

Merit Assembly

Thank you to all the parents that attend our Friday merit assemblies. The children love to have you there and many parents enjoy the experience. The junior assembly is 9:10am to 9:30am and the infant one at 2:55pm to 3:10pm. We understand that parents may need to drop an infant child off and then walk back to the junior site and we will do our best to get you into the hall. Please only come if you can stay for the whole assembly as adults leaving early distracts the children. We are working parents ourselves and we understand that it is difficult to attend and appreciate you trying to come.

Call for 'greater awareness' of hearing problems

One in 4 children with reading difficulties who took part in a study showed a "mild or moderate hearing impairment", about which their teachers and parents did not know. Researchers have recommended teachers should be told if children have "had a history of repeated ear infections".

Let us know if you think your child is having problems or talk to your child's GP.

Parent Governors Wanted

Please do come to the junior school at 3pm on Tuesday to hear more about being a parent governor if you are interested. We are looking to fill two vacancies.

Reminder

There is no school for pupils next Thursday and Friday. We have an Occasional day and an Inset day. Happy Diwali to those families who are celebrating next week.

Half Term Course

The Change Gear Bikeability team, on behalf of Hounslow Borough Council, is running cycling courses during half term. Check out their website for courses, venues & times at:

www.parkwoodoutdoors.com/centre/hounslow-bikeability

Question of the week

What was your best moment at school?
Why did it mean so much to you?

Try and use a thinking map

Send your answers to Mr Berryman
