## The week at Wellington!

### Secondary Transfer Forms

All secondary transfer forms need to be completed online by **31.10.18**. Please put as many choices as you can on the form.

### Bicycles & Scooters

Please get off your bicycle as you enter the school path or playground. We have received complaints from parents that adults and older children are cycling too close to children on the main paths and playgrounds. Help us to keep everyone safe on site please.

### Attendance

Well done to Obsidian class this week who achieved 100% attendance. Many classes had 99% attendance which was super too. We do still get a few children who are kept off school when they have a cold or a cough. Please try and send them into school as they often feel better when distracted by school activities with their friends. If they are really struggling, we will call you and send them home.

### Emergency Contact Information

Please make sure we have at least two different emergency contact phone numbers for your child. Always update the school office immediately if your emergency contact details change and if you wish to change who can collect your child.

### Special Halloween Menu day

On Wednesday 31<sup>st</sup> October we are having a special Halloween lunch. Pupils can order either Sweet Chilli Dogs, Jack O Lantern Stuffed Peppers or Sweet Chilli Veggie Dogs. Please make sure dinner accounts are topped up.

### Year Two have been designing buses this week.

The children enjoyed designing and making their buses and using mini saws and lots of red paint!

We hope you all have a relaxing half term and look forward to seeing all the children in their smart winter uniform after the break. Do remember that children will be having their class photos on the first day back.

## Question of the week

If you could make up a language, what would it be like and why?

Send your answers to Mr. Berryman and try to use thinking maps and hats.
