Sycamore

The week at Wellington!

Infant Concert

Year 1 and Year 2 classes will be performing their concert on Monday 10th and Tuesday 11th December at 1:45pm and Wednesday 12th December at 9:30am. The children and teachers have been rehearsing and are looking forward to showing the parents all the songs they have learnt. I am sure you have heard some of the songs at home already. Please be prepared to stay for the whole performance which is about 45 minutes long. Also if you need to bring young babies or toddlers please bring something to keep them calm and amused such as a quiet toy.

Junior Snowball

Tickets will be on sale on ParentMail for the juniors from 7pm tonight. £3.00 which will include a drink and a snack. The 2018 Snowball is on Thursday 13th December from 5pm to 6.30pm.

Infant Lost Property

Next week lost property items will be placed in the Reception playground on Monday 3rd and Tuesday 4th December, and in the Infant playground on Wednesday, Thursday and Friday. If your child has lost any items of uniform, please do have a look. Any items not claimed will be sold in a sale after the Christmas break.

Lunchtime Relief Vacancy

A Lunchtime Relief vacancy has arisen. Applications are available from the School Office on Monday 3rd December and must be returned by Friday 7th December.

Staying Safe Online

We hope the parents that joined us this Tuesday found the meeting about keeping children safe online really helpful.

We have placed two helpful support documents on our website to help you support your children online and some settings that you might find helpful if your child uses YouTube and plays Fortnite. We are aware that the age recommendation for this game is 12 and above. There are also copies in the school office if you wish to collect one.

General Tips are:

- Try to have your child in the same room as you when they are using the internet, and discourage them from using headphones
- Chat to your child about what online videos might not be suitable for them to watch and share
- Regularly check the history of videos they have watched online for anything inappropriate, or create a playlist for them
- Encourage your child to tell you if they see something they find worrying or nasty
- If your child wants to share a video they have recorded, check they get permission from anyone who features in it before they upload it
- Tell your child not to give out any personal information or anything that can identify them, such as a school uniform or street name
- Regularly check comments made on your child's videos. Talk to your child about how they could receive nasty or negative comments from other people, and what they should do if this happens.

Question of the week

If you could visit a planet, which planet would you visit and why?

Send your answers to Mr. Berryman and try to use thinking maps and hats.
