## Sir David Attenborough has celebrated his 92nd birthday

Earlier this week, the naturalist had his birthday. He first appeared on our screens more than 60 years ago, on a black and white programme called Zoo Quest. Since then he has inspired lots of people, including wildlife presenter Steve Backshall. His work on the BBC program Blue Planet II also helped to highlight the problem of plastic in the ocean.

## Hawaii volcano

The volcano Kilauea in Hawaii is still very much active after erupting on 3 May. It is one of the most active volcanoes in the world. Fissures (large cracks) have opened up in the Earth's crust and are billowing heat and gas into the atmosphere. Lots of the surrounding areas have been destroyed by the lava but

## Royal wedding celebration

This Royal wedding will be screened live inside the cathedral and afterwards in the Outer Close there will be activities for the whole family to enjoy! Activities include Morris dancing, a bouncy cathedral and pop-up stalls provided by churches in the area. As the final preparations are made for the highly anticipated royal wedding, tickets have gone on sale for celebratory events taking place across the area. It will be held on the 19th May 2018, at St. Georges Chapel, Windsor Castle.

## Local elections 2018

On Thursday 3 May the local election had been held in London. 150 councils are electing new councillors, and there are six contestants. Labour is currently leading, followed by Conservative. Labour took the lead on Thursday, with 2350 votes in Hounslow. Both parties were neck and neck at the voting poll, but Labour ended up being the most popular party in Hounslow.

Seaside workshop with Year 2

## Wellington news

### Year 4 electricity work shop

Last Friday, Year 4 had a workshop about electricity. They made circuits and buzzers and motors. They enjoyed the workshop and gained a lot of knowledge about electricity. Theo, from Amber Class said : "This was so much fun! I really enjoyed this workshop and I learnt so much." They have recently been working on electricity circuits and seeing how they work.

### Year 6 SATs

Year 6 SATs are coming up and they are working really hard towards it and now that they did the mocks (practice tests) they are very confident about them. After they do this, they will have lots of fun and time to relax and be free of stress. They will be going on amazing trips like JCA and whittle and spark, and doing a production which the name is yet to be announced.

# Language of the Month: Mandarin

Welcome – Huān yíng -

Hello – nǐ hǎo

Thank You - Xiè xiè

**Do you know anyone who can speak Mandarin?  
What new information can you find out?**

Mandarin is spoken by more people than any other language: over 1 billion. It is the main language of government, the media and education in China and Taiwan, and one of the four official languages in Singapore. There are also significant numbers of Mandarin speakers in Malaysia, Indonesia, Russia, the USA, Mongolia, Vietnam, Brunei, South Africa, Thailand, Laos, Cambodia, Hong Kong, the Philippines, UK and Mauritius.
