Astronauts escape malfunctioning Soyuz rocket

A US astronaut and a Russian cosmonaut were forced to make an emergency landing after their Russian Soyuz rocket malfunctioned en route to the International Space Station (ISS). Shortly after taking off from Baikonur Cosmo drome in Kazakhstan, Nick Hague and Alexey Ovchinin reported a problem with the rocket's booster. The men were forced into a "ballistic descent", with their capsule landing a few hundred miles north of Baikonur. They have been picked up by rescuers. "The search and recovery teams have reached the Soyuz spacecraft landing site and report that the two crew members... are in good condition and are out of the capsule," Nasa said. Russia said it was suspending any further manned flights, and an investigation into what went wrong had been launched.

Hurricane Michael hits Florida with 155mph winds

Florida is being battered by Hurricane Michael as winds of 155mph tore ashore and brought the potential for devastating flooding.

The Category 4 hurricane is the worst to hit the Florida panhandle, an area of beaches, fishing towns, and military bases in the north-west of the state, since records began in 1851. Michael was expected to bring a foot of rain and a storm surge of up to 14ft. More than 375,000 people along the coast were warned to evacuate, but many stayed behind.

Teenage Hounslow hero saves life on the way to school

Tejinder Purewal, 16, was on his way to school in Hounslow when he heard a woman scream and saw a man collapsed on the floor. The Army cadet, who had been taught first aid at school, rushed over to the man and started performing CPR while instructing the woman to call for an ambulance.

He kept performing CPR on 72-year-old Antonio Fernandes for 20 minutes, with one of his sixth form friends supporting Mr Fernandes' head. He has now been honored by receiving awards at an award ceremony.

The most popular baby names

The most popular baby names in Hounslow for boys is Muhammed while for girls the most popular name is Olivia, which is the third most popular name in the world. Although it is the most popular currently, it has still slipped two places down from a few years ago but is 28 places higher than where it was a decade ago. For girls born in Hounslow, Olivia was again the most common, with 22 born in Hounslow in a year.

Year 6 Bikeability

This week, Year 6 have been doing Bikeability. They have been learning how to ride their bikes safely on the road and how to signal to the cars. They even got to ride on the road to teach them how to be safe on the road and how to handle their bikes. In addition, they learnt how to check their bikes were in good working order. Rajveer, from Coral Class said: "Bikeability was an amazing experience and taught me many new things I didn't know before."

Harvest Festival

During the week, children have generously given food to the St Paul's Cathedral to be given to homeless beggars. As you should know, the food that is donated is given is used for a good use like feeding the needy. This Thursday, Amber class had created an assembly to explain why we have the harvest festival. They used roleplay, and songs to explain that harvest is all about gathering and then sharing. Hopefully, in the approaching weeks we see less hungry beggars.
